Mini Wheel Stop™

www.plasticforests.com.au

WARNINGS

GreenMongrel Mini Wheel Stop serves as a parking marker only.

It WILL NOT stop your vehicle and is NOT to be used as a wheel chock or on sloping surfaces.

Always use the handbrake when the vehicle is stationary as per manufacturer's instructions.

Recommended for cars only. Not for use with trucks, buses or +2 tonne TARE vehicles.

Always use caution when parking in your garage. Roll vehicle slowly up to Mini Wheel Stop and brake on contact.

Do not park on top of Mini Wheel Stop. Always make sure the Mini Wheel Stop is perpendicular to the tyre and not at an angle.

For indoor, domestic use on polished concrete floors only. Not for outdoor use or commercial applications.

The GreenMongrel Mini Wheel Stop does not meet the Australian standard for use in public spaces or public car parks.

Check reflective strip, flood adhesion and position of Mini Wheel Stop regularly to ensure it is in the correct location and has not moved.

Avoid the use of solvents, fluids and oils around the adhesive tape as this may affect adhesion.

Position the Mini Wheel Stop away from any thoroughfare to reduce the trip hazard. YOU are responsible for the correct placement and maintenance of the Mini Wheel Stop. Additional adhesive pads and reflectors can be purchased on our website.

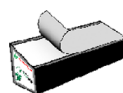

100% recycled from Australian plastic waste & recyclable

Made from 155 plastic bags (at 5g/bag)

Australian made and owned

Easy 'peel & stick' installation

No tools required

High visibility reflective tape
