

The **durability** of plastic  
+  
the **strength** of steel

**Strong - steel reinforced**

**Munro - drivable for fast installation**

**Fully insulated - no clips**

**Durable - never split, rot or rust**

**Made from recycled plastics & farm plastics**

**Lightweight (11kg)**

**Weatherproof & UV stable**

**Great life-time value**

**Australian made & owned**

**PLUSPosts™** are robust, drivable, durable & fully insulated

*Made in the bush for Aussie farmers from farm plastic*

- Steel reinforced core for strength
- Driveable point for fast installation by tractor mounted hydraulic post driver
- Lightweight (11kg approx) compared with concrete, steel & timber posts
- Fully insulated for easy electrification- no additional clips/insulators required
- Stylish & durable - will not rot, split or rust
- Made with 100% recycled plastics including farm plastics!
- UV stabilised for long service life
- Suitable for acidic, alkaline or saline soils
- Waterproof – perfect for swampy, flood-prone or wet areas
- Termite proof and bacteria resistant
- Pre-drilled holes for fast wire installation (optional)
- Retained flexibility for less injury to stock and wildlife
- Highly resistant to shock, breakage and abrasion
- Great lifetime value
- Low maintenance, service and repair costs - never needs painting
- Easy to work with - can be stapled, nailed, screwed, drilled or sawed (with an appropriate blade for cutting steel core)
- Suitable for use with plain wires, barb wires, prefab netting etc
- Recyclable at end of life
- Dimensions: 110mm (w) x 110mm (d) x 1800mm (l) Colour: Black
- Composition: 85% recycled plastic, 10% Australian-made steel, 5% processing aids/UV stabilisers
- Options: Pre-drilled holes, top slot, custom hole spacings & sizes, slotting, and notching.

**WARNINGS** Product is designed as a line post and **not suitable for use as a strainer or end post**. As Plastic Forests Pty Ltd has no control over installation design, installation workmanship, accessory materials or conditions of application, Plastic Forests Pty Ltd does not warrant the performance or results of any installation or use of the product or any final product into which the product may be incorporated by the purchaser and/or user. This warranty disclaimer includes all implied warranties, statutory or otherwise, including the warranty of merchantability and or fitness for a particular purpose. The purchaser and/or user should perform its own tests to determine the suitability and fitness of the product or the particular purpose desired in any given situation. Warranty limited to product replacement ONLY.
