David,

This email is to confirm that Coles has approved Plastic Forests wheel stop to be used in Coles projects as an alternative to current supplier on the Approved Supplier Listing. The approved wheel stop product is Plastic Forests Wheel Stop 1650mm Yellow code WS.B.Y.1650.3 or WS.B.Y.1650.4 depending on installation options.

Please note that Plastic Forests wheel stop will be officially updated in the next Coles Approved Supplier Listing at the end of 2021.

Kind regards,
