

The **durability** of plastic
+
the **strength** of steel

Strong - steel reinforced

Drivable point for fast installation with Munro

Fully insulated - no clips

Durable - never split, rot or rust

Made from recycled soft plastics & farm plastics

Long-lasting

Lightweight (11kg)

Weatherproof & UV stable

Great life-time value

Australian made & owned

PLUS Posts are robust, drivable, durable & fully insulated
Made in the bush for Aussie farmers from farm plastic

- Steel reinforced core for strength
- Drivable point for fast installation by tractor mounted hydraulic post driver
- Fully insulated for easy electrification- no additional insulators required
- Stylish & durable - will not rot, split or rust
- Lightweight compared with concrete, steel & timber posts
- Made with 100% recycled plastics including farm soft plastics
- UV stabilised for long outdoor life
- Suitable for acidic, alkaline or saline soils
- Waterproof – perfect for swampy, flood-prone or wet areas
- Termite proof and bacteria resistant
- Pre-drilled holes for fast wire installation (optional)
- Retained flexibility for less injury to stock and wildlife
- Highly resistant to shock, breakage and abrasion
- Great lifetime value and 10-year warranty*
- Low maintenance and repair costs - never needs painting
- Easy to work with - can be nailed (with a twist shank nail), screwed, drilled or sawed (with an appropriate blade for cutting steel core)
- Suitable for use with plain wires, barb wires, prefab netting etc
- Recyclable at end of life
- Dimensions: 110mm (w) x 110mm (d) 14 x 7mm holes as standard
- Lengths: 1800mm to 2250mm (approx):
1800mm (10.6kg); 2100mm (12.4kg); 2250mm (13.3kg)
- Composition: 85% recycled plastic, 10% Australian-made steel, 5% processing aids / UV stabilisers Colour: Black
- Options: Custom hole spacings & sizes.

WARNINGS: Product is designed as a line post and is **not suitable for use as a strainer or end post**. As Plastic Forests Pty Ltd has no control over installation design, installation workmanship, accessory materials or conditions of application, Plastic Forests Pty Ltd does not warrant the performance or results of any installation or use of the product or any final product into which the product may be incorporated by the purchaser and /or user. This warranty disclaimer includes all implied warranties, statutory or otherwise, including the warranty or otherwise, including the warranty of merchantability and or fitness or a particular purpose. The purchaser and /or user should perform its own tests to determine the suitability and fitness of the product or the particular purpose desired in any given situation.
*Warranty against rotting, splitting or rusting. Excludes fittings & installation. Warranty limited to product replacement only, with proof of purchase.
