Our large range of 98% recycled plastic Wheel Stops are ideal for carpark, restricting vehicles from traveling beyond the designated parking space & preventing damage to walls, gardens, kerbs & vehicles.

- AS/NZS 2890.1:2004 compliant - 96mm height prevents damage to cars with low set spoilers
- **Thermally fused** safety strips for a secure bond
- 5 bright colours: yellow, blue (disabled), white, red or green
- Unique **sawtooth top** for reduced slip
- Australian made, with a 5-year warranty
- Lightweight - easy installation by 1 person without lifting equipment
- Will not crack, chip, rot or disintegrate like rubber or concrete wheel stops
- Low maintenance - never need painting, resistant to oil & moisture
- UV stabilised & impact resistant for long outdoor life
- Solid, durable & strong - independently tested, with a 20 tonne load rating*
- Made from recycled plastic
- Cost effective
- Recyclable at end of life
- Easy to install and reposition
- 1 base colour: Black - with 22mm safety coloured strip
- Dimensions(mm):1650 (l) x 96 (h) x 136 (base width) x 48 (top width)
- Quality brand name fixings (sold separately)
- 3 fixing points for installation on concrete surfaces
